UWA RUGBY: GOING FORWARD

The University Of Western Australia Rugby Union Football Club

LOYAL SUPPORTER DIRECTORY

Dear Uni rugby player or supporter, past or present,

On behalf of the club we want to express our appreciation of the loyalty that you have shown to the club over the years; whether it was on the pitch in sweat and blood or on the "hill" providing support and advice.

As we all know the UWA Rugby Club has enjoyed corporate financial support over the years and we recognize the current major sponsors in the following page. The purpose of this letter is to invite you to support the club in a manner that will benefit all.

This invite is to allow you, or your company to provide a level of financial support to the club whilst providing you with a captive audience for your service or product.

For \$250 you will be included in a directory of likeminded loyal UWA Rugby fans and shall be listed in a directory of services which shall be included in the club website and promoted at the clubrooms. The directory will be mentioned in every edition of Ruckus. The potential audience is several thousand senior and junior club members plus many more supporters.

In this manner any club member who is searching for a service or product can find a provider from within the UWA Rugby family whom they can trust.
